

ForeverMoor Productions Presents...

FabEl an Edmonton-born artist raised in the Toronto area bringing conscious streetwise content.

Levitate (Single)

Levitate is a song centre around a story that entails the evolution of the mind and taking one's life from the hardships many of us face, to a dream world where anything is possible

Levitate will be featured in a short film set to be released with the follow up singles "Frequency" and "Already Know". Stay tuned for more...
